

VALLEY DISTRICT CRICKET CLUB
EST. 1897

CLUB CODE

We are the Valley District Cricket Club Diehards. We are proud of the club's existence and its rich history.

We respect and appreciate our forefathers who have played and built our great club since its humble beginnings in Fortitude Valley in 1897.

When we pull on the Valley cap, walk onto the field, or turn up and support the Valley Diehards, our actions will command pride and respect from ourselves, our team and our club.

We will play hard but fair, obey the laws of our game and defend the spirit of cricket.

We will earn respect and trust in each other on and off the field.

We will learn about the team culture and in return accept that reward for loyalty is earned from performance.

We will aspire to victory, celebrate our success and be humble. We will react to defeat or failure with honour and acknowledge the contributions of our peers and opponents.

We will enjoy and share in the successes of our fellow Diehards, celebrating their achievements with them.

We will recognise and respect the contributions of our volunteers and supporters and acknowledge that they are as important as players on the field.

We will accept, understand and achieve the standards set by Valley District Cricket Club, Queensland Cricket, Cricket Australia and the International Cricket Council and any other parent bodies.

We will welcome and embrace those who want to be part of the Valley clan.

We are the Valley Diehards!!!
