RULES

FOR THE CONDUCT
OF CRICKET

SEPTEMBER **2023** EDITION

Brisbane North Junior Cricket Association Affiliated Clubs

Rules Booklet – a guide to the main changes since the 2022 edition.

- Commencing for season 2023/2024, the recording of match results and details will now be entered into the PlayHQ platform instead of into MyCricket. Accordingly all references to MyCricket have been replaced with PlayHQ. The requirement to do this is now “no later than 5 days” not “no later than 7 days”.

The rules so amended are Rule 11.2;; 11.3 and 14.4(1) and the Quick Reference Guide on the back cover.

General Rules

- The game of cricket is defined in the Laws of Cricket for which a copy is available at <https://www.lords.org/mcc/laws-of-cricket/laws/> or in book form from your local cricket supplier.
- This Rules booklet does not attempt to describe the game of cricket and assumes the reader already has knowledge of the game. This booklet describes the differences and special conditions for the playing of junior cricket.
- Definitions for the Bowling crease (the back edge of the line in which the stumps stand), the Popping crease (the back edge of the line also called the batting crease, where the striker taps their bat), the Return crease (the inside edge of the lines running back from, and at 90° to the Popping crease), and the boundary (the inside edge of any rope, or a straight line connecting the inside point of two adjacent markers) can all be found within the *Laws of Cricket*.

Maintaining the required over rate:

- The over rates in these Rules are successfully used by most teams in the competition for most of the games played. It is important to ensure that a team bowls at least the required number of overs in the time allowed, and that the spirit of the game is upheld.
- Captains, Umpires and Scorers should keep a watch during each period to ensure the required over rate is being achieved and should ensure that the required number of overs will be bowled.
- Captains, and where possible, umpires assisting the more junior captains, should ensure time is not wasted by constantly resetting the field during the over, and should further ensure that batters, bowlers and fielders move to their positions in good time. Law 41.9 and 41.10 states that it is unfair to waste time. It is not within the spirit of the game to waste time. Umpires should be aware of the time taken for drinks and the time taken for a change of batter. Drink breaks are of 3 minutes duration only, and are not meal breaks. The not-out batter should not walk far from the wicket when meeting the incoming batter, and on-field discussion between batters should be kept short.

Teams are encouraged to supply fielders to under-strength opposition teams.

- Where an opposing team is unable to field the same number of players as the team, the team is encouraged to offer to supply players to field for the opposing team as substitutes. These substitutes do not bat, bowl nor wicket-keep, nor can a substitute act as captain. This gesture falls within the spirit of fair play.

Quick Reference Guide

- A Quick Reference Guide can be found on the outside back cover (page 45).

From The Laws of Cricket - The PREAMBLE – The SPIRIT OF CRICKET

- Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws, but also within the Spirit of Cricket.
- The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.
- Respect is central to the Spirit of Cricket. Respect your captain, team-mates, opponents and the authority of the umpires.
- Play hard and play fair. Accept the umpire’s decision.
- Create a positive atmosphere by your own conduct, and encourage others to do likewise.
- Show self-discipline, even when things go against you.
- Congratulate the opposition on their successes, and enjoy those of your own team.
- Thank the officials and your opposition at the end of the match, whatever the result.
- Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.

Notes on the Laws of Cricket as they relate to this Rule Book

In those instances where no rule is written to cover the situation, the Laws of Cricket as in force at the 1 October 2022 are to apply.

The penalty run provisions of Law 24.4, Law 18.5.2, Law 28 and Law 41 shall not apply, and the 5 penalty runs shall not be awarded, however players contravening these Laws should be counselled as to the requirements of the spirit of the game.

Since 1 October 2017 the Laws of Cricket have deleted the dismissal of “Handled the Ball”. If a batter handles the ball with the hand not touching the bat the dismissal is “Obstructing the field” covered under Law 37.

Since 1 October 2017 the Laws of Cricket have stipulated that byes or leg byes scored as a consequence of a No ball being bowled shall be recorded as byes or leg byes and not as extra no balls. However, the 1 run penalty run for the no ball shall still apply.

A range of relevant amendments coming into force from October 2022

1. Law 18.11 has now been changed so that **when a batter is out Caught**, the new batter shall come in at the end the striker was at, i.e. to face the next ball (unless it is the end of an over).

Under the previous Laws, a bowler could take a wicket, and still have to bowl at a set batter if the batters managed to cross. It was felt that the bowler should be rewarded with the chance to bowl at the new, incoming batter, if balls remain in the over.

2. Law 41.3 has been amended to **no longer permit the use of saliva on the ball**. Using saliva will be treated the same way as any other unfair methods of changing the condition of the ball.

3. A new Law 1.2.3 stipulates that **a replacement player** shall be considered the same player as the nominated player he/she replaced for the purposes of these Laws. For example a replacement may not bat in an innings in which the nominated player he/she is replacing has completed his/her innings.

4. Law 18.4 has been amended such that if a batter had run short and a boundary come from an overthrow, the batters should not be credited with that short run.

5. Law 20 has been amended to allow for **the calling of Dead ball** by either umpire in the following additional circumstances

(a) if either side is disadvantaged by a person, animal or other object within the field of play and it has a material impact on the game. However, this Law is not to be confused with, but works alongside, Law 19.2.7, which says that if the umpire believes a ball, which comes into contact with a person, animal or object coming onto the field, would have reached the boundary, a boundary is awarded.

(b) when the bowler throws the ball towards the striker’s end before entering the delivery stride.

(c) when the striker attempts to play the ball and no part of his/her person, whether grounded or raised, remains within the pitch as defined in Law 6.1 (Area of pitch). The ball is called a No Ball, then a Dead Ball.

6. Law 22.1.1 has been amended to address the following scenario – “In the modern game, batters are, more than ever, moving laterally around the crease before the ball is bowled. There are examples of a batter starting three feet outside leg stump, walking across to outside off stump, and back again, all before the bowler has released the ball.

The amended Law 22.1.1 now reads “If the bowler bowls a ball, not being a No ball, the umpire shall adjudge it a Wide if, according to the definition in 22.1.2, the ball passes wide of where the striker is standing or has stood at any point after the ball came into play for that delivery, and which also would have passed wide of the striker standing in a normal guard batting position”.

It is recommended that a measured length of rope or string be used to measure the boundaries. The boundary is to be measured from the centre of the pitch for all age groups except under 10/11 (boys/girls teams) – refer to Rule 16.7.

2. BEHAVIOUR AND DRESS

2.1 Player's Behaviour and Code of Behaviour

- (i) The BNJCA endorses the Codes of Behaviour promulgated by the Australian Sports Commission, and those Codes (which are reproduced in this Rule book and *e-AllRounder*) form part of these Rules.
- (ii) Umpires/Managers/Coaches should intervene in cases of bad behaviour or offensive comments by players on or off the field. If such intervention does not settle the occurrence and if deemed necessary, they shall submit a written report on the details to the BNJCA Secretary who shall refer the report to the BNJCA Conducts Committee.
- (iii) The Conducts Committee may suspend a player from future play or otherwise deal with the player at its discretion.
- (iv) Any reference in these Rules to "Coach/Manager" refers to the adult, irrespective of formal title, who is the official in charge of a team on a particular day.

2.2 Dress

- (i) Shirts may be white or coloured. If players in a team wear coloured shirts, they must wear the same coloured shirt with the colour being approved by the BNJCA. Skins, when worn, must be white. Shirts may have a player number on the back. Trousers may be white or coloured and predominantly white sports shoes are to be worn. Footwear must be worn during matches and during practice. A pocket size logo of either or both of a Club or Association Logo only may appear on the front of the shirt. No advertising is allowed on the front of the shirt. The Sleeves and back of the shirt may carry advertising with no restrictions on size.

In ALL cases the said advertising must have the approval of the BNJCA.

- (ii) Club caps or white sun hats (broad brimmed or floppy) are preferred headwear and should be strongly encouraged. Representative caps (eg Brisbane North or QPSC caps) are not 'club caps' and must not be worn when playing for a club.
- (iii) It is strongly recommended that for safety and health reasons, players are to provide their own groin protection gear and batting gloves.
- (iv) When batting or wicket-keeping, a player must wear appropriate gloves, pads and groin protector. When wicket-keeping, the wearing of shin pads under trouser pants is also permitted.

Note. For the Under 10/11 age group consideration should be given to the comfort and useability of any protective equipment to be used, having regard to the size of the players. Protective equipment should, where possible, be of suitable flexibility and size to afford the younger players sufficient freedom of movement. Irrespective of this, appropriate protective equipment must still be worn.

- (v) Helmets, where used, should include a face guard, be correctly fitted, and should conform to the Australian Standard (**BS7928:2013** Specification for head protectors for cricketers).
- (vi) For all age groups, both girls and boys teams, from Under 10/11 to Open Divisions, the wearing of helmets by players when batting is **mandatory** at all times. Club officials together with the Coach/Manager of a team should take all reasonable steps to ensure this mandatory requirement is made known to all members of the team.
- (vii) For wicket-keepers keeping up to the stumps where a hard ball is being used the use of a mouthguard is recommended and the wearing of a helmet is required as per Rule 7.2.

- (viii) The use of helmets when fielding is as per Rule 7.
- (ix) For all age groups, both girls and boys teams, from Under 10/11 to Open Divisions, the umpires shall not allow a match to continue during any period in which any batter, wicket keeper standing up to the stumps or fielder within the prescribed area fails to wear a helmet when required to do so under these Rules. The umpires may only resume the match when the batter, wicketkeeper or fielder in question dons a helmet.

3. FITNESS OF THE GROUND

- (i) Play should only be suspended when the conditions are so bad (including lightning) that it is unreasonable or dangerous to continue. A ground is unfit for play when it is so slippery so as to deprive batters or bowlers of a reasonable foothold, or the fieldsmen freedom of movement. The safety of players at all times must be paramount. Play should not be suspended merely because the grass is wet and the ball slippery.
- (ii) The decision concerning the fitness for play of the ground, including the pitch, must be made by a representative from each team and/or official umpires. In those cases when club groundsmen are concerned with ground preparation, the decision concerning ground fitness for play should involve such representatives and/or official umpires and club groundsmen (if applicable). Where a club groundsmen has full control of the ground, the groundsmen's decision shall be final.
- (iii) If team representatives, with their players in attendance, disagree regarding the fitness of the ground for play the present state continues. That is, if play has not commenced and the representatives disagree, there will be no play. If play has been suspended because the ground is unfit for play, the team representatives must agree before play resumes. No time shall be added to the match to make up for time lost to adverse conditions or injury.
- (iv) **The 30/30 Rule.**
If thunder follows a lightning flash by 30 seconds or less play must cease and players and officials leave the field immediately.
Play must not resume until thirty (30) minutes after the initial flash.
If during the suspension of play thunder follows lightning by thirty (30) seconds or less the suspension period is to recommence.
Note. See Standard AS/NZS 1768-2007 "Lightning Protection".
Note. A 30 second time difference indicates the flash was within a 10km radius, a 15 second time difference is within a 5km radius, and a 3 second difference indicates within a kilometre.

4. ON-FIELD COACHING

- (i) On field coaching is allowed for the non-competitive age groups (Under 10/11 Boys/Girls teams; Boys Under 12 (pathways and junior stage 2); and Girls Under 13 junior format). On field coaching is also allowed for the competitive Girls' Under 13 pathways. Such coaching should be restricted to one person per team. That person will be acting as an umpire at the time.
- (ii) Coaches and managers are reminded that the age groups that are NON-COMPETITIVE (i.e. no competition points awarded) constitute a developmental period for junior cricketers. It is expected that competition will happen on a natural basis regardless of the formalities of a non-competitive environment. Notwithstanding this, the BNJCA expects common sense to prevail in all situations so that the players get the enjoyment and sportsmanship that characterises the game.

5. BOWLING

5.1 Style and length of run up

In all age groups a player may employ whatever style or length of run up is appropriate to the player's style of bowling but in the Under 10/11 age groups and Girls' Under 13 teams the Coach/Manager should encourage players to bowl from a run up of not more than 10 metres.

5.2 Wide Balls

- (i) The *Laws of Cricket** instruct the umpire to call and signal Wide ball after the ball has passed the line of the striker's wicket. **It is very important not to hurry the call.** It is better to wait until the ball is well past the striker's wicket, rather than have to revoke the call if the striker chases and hits a wide delivery.
- (ii) If the ball lands outside a concrete or synthetic wicket after it has passed the line of the striker's wicket and is not hit by the striker, it shall be deemed and called Wide after it has passed the line of the striker's wicket.
- (iii) When the ball lands on the wicket, the *Laws of Cricket** apply in judging a Wide.
 - * Law 22 stipulates that a ball shall be called Wide if it is bowled such that a striker either standing or in a normal guard position cannot hit the ball with a normal cricket stroke. A ball shall not be called Wide if the striker moves causing the ball to pass out of reach, nor if the ball strikes any part of the striker's bat or person, nor if the ball is a No ball. The call of Wide should be late enough to determine that the ball had passed the striker's wicket.
- (iv) Under the *Laws of Cricket* neither batter shall be out from a Wide except by Law 35 Hit wicket, Law 37 Obstructing the field, Law 38 Run out or Law 39 Stumped.
- (v) The penalty for a Wide for all age groups, both girls and boys teams, from Under 10/11 to Open Divisions shall be one run plus any runs scored from that delivery. All runs which are run or result from a Wide shall be scored as Wides. Should a Wide proceed past the wicket-keeper to the boundary, 5 Wides shall be scored. Likewise, should the batters take a run on a Wide it shall be scored as 2 Wides; if 2 runs are taken – 3 Wides; and if 3 runs are taken – 4 Wides.
- (vi) For the competitive Under 13 to Open Divisions for both girls and boys, the umpires are to call Wide should a bowler bowl persistently* wide of the leg stump. As a guide for the umpire, a line should be drawn 45 centimetres either side of the middle stump to cater for both left and right handed batters. This line shall extend 15 centimetres either side of the bowling crease and shall be chalk-marked by team officials prior to commencement of each day's play if not permanently marked.

Note the word 'persistently', i.e. a Wide should not be called on the first or even second occasion. Umpires should always first advise and explain to the bowler the danger of being called, and why, should the bowler persist without change.

5.3 Dead Balls

- (i) When the ball, having been properly delivered by the bowler, lands on a concrete or synthetic wicket and thereafter behaves so erratically that, in the opinion of the umpire, the behaviour is not due to the bowler's technique, the umpire shall immediately call and signal Dead ball. Such a ball shall not be counted in the over. No runs can be scored and no batter can be dismissed from such a ball.
- (ii) If a ball being returned by a fielder deviates off the edge of a concrete or synthetic wicket the umpires shall call Dead ball immediately after the completion of the run in progress at the time of the deviation.
- (iii) When the bowler attempts to run out the non-striker, either (i) before commencing delivery of the ball or (ii) at any time from when delivery of the ball commences until delivery of the ball is completed, and whether or not there is an appeal, the umpire at the bowler's end shall immediately call and signal Dead Ball.

Such a ball shall not be counted in the over. No runs can be scored and no batter can be dismissed from such a ball.

If in the opinion of either umpire, the non-striker, when preparing to run, is backing up too far during the course of the bowler's delivery, both umpires should confer and counsel the non-striker to only leave the popping crease once the bowler's back foot lands ready for delivery or once the bowler passes the bowling crease.

- (iv) When the batters attempt to steal a run at any time during the course of the bowler delivering the ball and before delivery is completed, the umpire at the bowler's end shall -
- 1) call and signal Dead ball as soon as the batters cross in such an attempt;
 - 2) inform the other umpire of the reason for this action;
 - 3) return the batters to their original ends; and
 - 4) inform the batters, the captain of the fielding side and, as soon as practicable, the captain of the batting side, of the reason for this action.

The ball called and signalled Dead Ball shall not be counted in the over. No runs can be scored, no penalty runs awarded and no batter can be dismissed from such a ball.

5.4 Balls per over (Competitive Under 13 to Open Divisions)

- (i) For the competitive Boys' Under 13 to Open Division age groups, a bowler shall bowl, in any over, a maximum of 10 deliveries or 6 fair balls, whichever comes first.
- (ii) For the competitive Girls' Under 13 pathways format and Girls' Open Division, refer to Rules 17.7 (iii) and 19.7 (ii) respectively.

5.5 No Balls

- (i) Any fast, short-pitched delivery by the bowler reaching the striker above shoulder height when standing in a normal batting stance shall be called No ball for all age groups, and can be called by either umpire. Note. *A fast delivery is one to which a wicket-keeper would normally stand back from the wickets to receive*
- (ii) Any full-pitched delivery delivered by the bowler and arriving at the striker above waist height when standing in an upright stance shall be called No ball for all ages and can be called by either umpire.
- (iii) Under the *Laws of Cricket* neither batter shall be out from a No ball except by Law 34 Hit the ball twice, Law 37 Obstructing the field or Law 38 Run out.
- (iv) The umpire at the bowler's end shall call and signal No ball if a ball which the umpire considers to have been delivered without having previously touched bat or person of the striker –
 - 1) bounces more than once, or
 - 2) rolls along the ground before it reaches the popping crease, or
 - 3) pitches wholly or partially off the pitch before it reaches the line of the striker's wicket. When a non-turf pitch is being used, this will apply to any ball that wholly or partially pitches off the artificial surface
- (v) If a ball delivered by the bowler comes to rest in front of the line of the striker's wicket, without having previously touched the bat or person of the striker, the umpire shall call and signal No ball and immediately call and signal Dead Ball.

5.6 Penalty and scoring for a No ball for Under 10/11 (boys & girls teams).

- (i) For all matches the penalty for any type of No ball shall be 1 run plus any runs scored from the delivery.
- (ii) Any runs scored from a No ball are credited to the striker.
- (iii) Should a batter be given out off a No ball the penalty for bowling it shall stand plus any runs scored.

5.7 Penalty and scoring for a No ball for Boys' Under 12 to Open Division and Girls Under 13 teams and Girls' Open Division

- (i) For all matches the penalty for any type of No ball shall be 1 run plus any runs scored from the delivery.
- (ii) The striker may hit a No ball and whatever runs result shall be added to the striker's score. Runs made otherwise from a No ball shall be scored as *byes or leg byes* as appropriate. If the batters run on a No ball, either umpire shall indicate by clear signal to the scorers whether the striker hit the ball, so that it can be determined whether the runs so scored are *No balls, No balls and bye or leg byes* or runs credited to the striker.
- (iii) Should a batter be given out off a No ball the penalty for bowling it shall stand plus any runs scored.

5.8 Daily Bowling Limits (Under 12 upwards)

Where a player plays in more than one match in a day the player shall not exceed the daily bowling limit applicable to the player's age group.

Boys' Under 12	a maximum of 8 overs per day
Boys' Under 13 to Under 15	a maximum of 10 overs per day
Boys' Open Division	a maximum of 16 overs per day
Girls' Under 13 teams	a maximum of 8 overs per day
Girls' Open Division	a maximum of 10 overs per day

6. BATTING

6.1 Leg Before Wicket (LBW)

For Boys' Under 12 upwards and Girls Under 13 pathways [subject to to Rule 17.6(i)] and Girls' Open Division the LBW Rule shall apply

To assist the umpire in assessing an LBW decision there are 5 questions, all questions must be answered 'Yes' before an LBW decision can be given.

- 1) Is it a fair delivery (not a no-ball)?
- 2) Did the ball pitch in line with the stumps or outside off stump? (The striker cannot be out LBW if the ball is pitched outside leg stump, irrespective of whether a shot has been offered or not.)
- 3) Did the ball miss the bat before it hit the striker?
- 4) Did the ball first contact hit the player in line with the stumps (or outside off stump where no shot is offered)?
- 5) Would the ball have hit the stumps if the striker had not obstructed it?

If the answer to any of the 5 questions is 'No' then the striker is Not out.

7. FIELDING AND WICKET-KEEPING

7.1 Minimum Fielding Distance

- (i) Except in an area 90 degrees on the offside from Point to Wicket-keeper (the Slips), no player who qualifies for, or is playing in, an age group from Boys' Under 12 up to and including Boys' Under 15 and Girls Under 13 teams and Girls' Open Division is to field closer than 10 metres from the striker (in the striker's normal batting stance) until after the ball is:
hit by the striker, or
strikes the body or equipment of the striker, or
passes the line of the stumps, or
becomes dead.

Note. Where the striker's stance is forward of the crease the fielder should retreat by the same distance to maintain the 10 metre separation. Where a striker charges a bowler, the fielder is not required to thus retreat, but the safety of the fielder shall be paramount.

- (ii) For Boys' Open Division only, fielders may come within 10 metres, but not closer than 5 metres, provided their protective gear is a helmet and groin protector

If this rule is contravened a No ball shall be called for the delivery in question.
- (iii) In all age groups from Under 12 up to and including Open Divisions for both Boys' and Girls' teams, a fielder must wear a British Standard 7928:2013 compliant helmet at all times when fielding in a position closer than seven (7) metres from the batter's position on the popping crease on a middle stump line, with the exception of any fielding position behind square of the wicket on the off side.

7.2 Wicket-keeping

- (i) For the Under 12 to Open Divisions for both Boys' and Girls' teams, wicketkeepers, whilst standing up to the stumps, must wear a helmet that complies with the relevant Australian Standard (**BS7928:2013**). When not in use helmets are to be placed behind the wicketkeeper.
- (ii) In the Boys' Under 10/11 to Under 12 age groups and Girls' Under 13 teams and Girls' Open Division, a wicket-keeper shall not keep for more than one half of the allotted number of overs in an innings.
- (iii) If for some reason (*for example* rain or other interruption) the number of allotted overs in an innings is reduced in the Boys' Under 10/11 to Under 12 age groups and Girls' Under 13 teams and Girls' Open Division, the wicket-keeper shall not keep for longer than one half of the reduced allotted overs in the innings or the number of overs for which the player had kept wicket at the time of the interruption, whichever is greater.

8. PROTESTS

The protesting club is to send a letter to the other club involved plus a copy to the BNJCA Secretary. Such letter is to be sent no later than 7 days after the completion of the match concerned.

9. PUBLICATION OF RESULTS

9.1 Responsibility for notifying weekend press

- (i) For publication in the weekend press, responsibility for notifying *The Sunday Mail* as explained in *e-AllRounder* rests with the side batting first on the first day of a two day match, and the side winning the game shall notify the result on day two.

- (ii) For one day matches, the winning side is responsible for notifying the results.
- (iii) For all matches where no result is achieved due to adverse weather conditions etc, the side batting first is responsible for notifying the results.

10. MATERIALS

10.1 Each team shall supply and use one set of 78.7cm (31") stumps without metal tips or ferrules. The use of metal tipped stumps is not permissible.

Note. For Concrete or Synthetic wickets the stumps area should be filled with dirt to give the stumps their correct height.

Only A.G. Thompson (Kookaburra), Platypus, K D Sport , Duke or Gabba Sporting Products brand cricket balls are to be used.

10.2 A bowling team does not have to use a new ball in any innings. A used ball can be taken, however once the innings has commenced, the same ball must be used throughout the innings. If the fielding side does not elect to use a new ball, the coaches/managers must agree on the ball to be used by the fielding side.

10.3 The weight and type of cricket ball to be used for all matches, applicable to the relevant age group and surface type is:

Under 10/11 (boys/girls teams);- (U10) KD Supaball 100g or similar; (U11) KD Supaball 100g or similar or KD Premium 130g ball or similar. Balls to have a moulded seam not a stitched raised seam.

Boys' Under 12; Girls' Under 13 teams and Girls' Open Division - 142 gram plastic ball on concrete pitch or 142 gram two-piece leather ball on synthetic pitch

Boys' Under 13 - 142 gram two-piece leather ball on synthetic or turf pitch

Boys' Under 14 to Open Div - 156 gram two-piece leather ball on synthetic or turf pitch

10.4 Each team shall supply markers to mark one-half of the boundary.

11. SCOREBOOKS, RESULT REPORTING AND RECORDS

11.1 Scorebooks

- (i) Each manager should ensure that a scorebook is accurately kept. At the end of each day of play, a team official from each team is to sign the opposing team's scorebook to ensure agreement on the result.
- (ii) Where both teams use electronic scoring a summary as per Appendix A shall be completed and signed at the completion of the match. This completed and signed summary sheet must be retained by both teams and be made available for viewing for resolving any disputed result.
- (iii) For the Under 10/11 age group, Wides and No balls are to be included in the runs scored against the bowler.
- (iv) For age groups Under 12 upwards for both Boys' and Girls' teams, Wides, No balls, Byes and Leg-byes are to be treated as sundries and not credited to the striker. Special consideration for Wides and No balls is provided for Under 10/11 (Rule 16.10(vii)).

11.2 Match Recording for age groups Under 12 to Open Divisions, both Boys' and Girls' teams

Both teams are to record the match result and all required match details including statistics of individual batting and bowling into the **PlayHQ** database no later than 5 days following the completion of the match. This includes names of participating players and each player's statistics for the game.

- (i) **PlayHQ** must be updated for all scheduled fixtures, including forfeits and rain abandoned games. (* See *e-AllRounder* for **PlayHQ** details).
- (ii) For a team receiving a forfeit or washed out game, the full list of intended players must be shown. Those players listed will be eligible for BNJCA batting and bowling trophies. The results and statistics for officially designated “bye” games are **not** to be recorded into **PlayHQ**. (See *e-AllRounder* for **PlayHQ** details).
- (iii) Penalty for non-compliance for Boys’ Under 13 to Boys’ Open teams with Rule 0 is forfeiture of all points that would have been gained under Rule 12.13 & Rule 13.10 by the offending team.
- (iv) Penalty for non-compliance for Girls Under 13 pathways format and Girls Open Division teams with Rule 0 is forfeiture of all points that would have been gained under Rules 17.10 and 19.10 respectively, by the offending team.
- (v) For Boys’ Under 12 teams and Girls Under 13 junior format teams, non-compliance with Rule (i) will be the disadvantage to the players eligibility for any BNJCA trophies for player achievements.

11.3 Match Recording for Under 10/11 (Boys’ and Girls’ teams)

A team in this age group may record the match result and all required match details including statistics of individual batting and bowling into the **PlayHQ** database.

This is optional for teams in this age group, since the players will not be eligible for BNJCA batting and bowling trophies.

12. RULES FOR TWO DAY GAMES (Under 12 * and above) (BOYS' TEAMS ONLY)

NB: These Rules for two day games pertaining to the Under 12 age groups (boys’ teams) only apply to the Under 12 pathways format. They do not apply to the Under 12 junior stage 2 format – Refer to Section 15 for the Under 12 junior stage 2 format rules

12.1 Hours of Play

- (i) Matches will be played over two consecutive fixture days.
- (ii) Hours of play shall be as per Rule 1.4.
- (iii) If play does not commence on the first scheduled day of a match, then the second scheduled day will be conducted as a one day game.

12.2 Duration of Innings

- (i) For the Under 12 pathways format, refer to Rule 14.4.
- (ii) For the Under 13 to Open age groups the duration of the first innings for each team shall be 55 overs or 3½ hours whichever occurs first (a normal day’s play).
- (iii) If a team is dismissed or if the allocated overs are completed, and there is more than 10 minutes to spare before the scheduled finish time (refer Rule 1.4), then, after allowing a 10 minute break between innings, the game will continue its normal course and a further innings, as defined under Law 12.2 (of the *Laws of Cricket*), will commence.
- (iv) The second innings, provided time permits, shall be played to an outright result. No limit shall apply to the total number of overs but normal individual bowling restrictions apply.

Except where a change of innings occurs, a minimum of 16 overs shall be bowled in the last hour. Where a change of innings occurs in the last hour the minimum number of overs remaining to be bowled shall, after allowing for a 10 minute break, be calculated as 1 over for each 4 minutes remaining to the scheduled finish time.

Should time be lost under Rule 3 (Fitness of the Ground) during the last hour, upon resumption of play if time permits, the minimum number of overs remaining to be bowled shall be reduced by 1 over for each 4 minutes lost.

For example: If play was suspended during the last hour for 20 minutes because of rain, upon resumption of play the number of overs remaining to be bowled shall be reduced by 5 overs.

12.3 Venue not available on second day

Where a game has commenced and the venue is not available for the second day of play then, where possible, an alternate venue will be allocated.

Note. Whilst every effort will be made to allocate the same ground type as was used on the first day, it may happen that only a ground of a different type is available. Whilst this may disadvantage one team it is stressed that participation is the overriding consideration and the game shall continue its normal course.

12.4 Penalty Runs (Under 13 to Open)

- (i) Subject to Rule 3 concerning fitness of ground, the fielding team is expected to bowl 55 overs in 3½ hours play.
- (ii) For Under 13 to Open age groups failure to bowl the required number of overs as specified in Rule 12.2(iv) or 12.4(i) will, subject to Rule 3 (Fitness of the Ground) and where an outright result has not been achieved, result in the batting team being awarded penalty runs (added to sundries), the penalty being one run for each ball not bowled.

12.5 Forfeits and Time Adjustments

Should any team be unable to commence play within 15 minutes after the scheduled starting time, a forfeit may be claimed by the non-offending side. The manager of the non-offending side only may suggest a time adjustment, for the game to be played. A decision to make the time adjustment must be made prior to the start of play for that day and shall not be altered after play commences.

12.6 Time Lost on First Saturday [under Rule 3 (Fitness of Ground)]

- (i) If play commences and less than 45 overs have been completed, the first innings of each team will be shortened so that the same number of overs are bowled to each team. The first innings of each team will be limited to the number of overs completed on the first day, plus 55, divided by 2 and rounded up.
For example: Team 1 bats on day 1 and only 40 overs were possible. To calculate the number of overs for each team's first innings we add 55 = 95 divided by 2 = 47.5 rounded up = 48. In this example Team 1 bats 8 more overs on day 2 then their innings is completed at 48 overs and Team 2 then bats 48 overs.
- (ii) If play commences and more than 45 overs, but less than 55 overs, have been bowled to the team batting first due to time lost under Rule 3 (Fitness of the Ground), and providing that team is not all out at the conclusion of the day's play, the innings shall be deemed to have been completed and the team batting second cannot receive for its first innings any more overs than that bowled to the opposition.
- (iii) A game shall be reduced by 1 over for each 4 minutes of play lost.

12.7 Time Lost on Second Saturday [under Rule 3 (Fitness of Ground)]

- (i) No extra time can be added to the permitted hours of play listed in Rule 1.4 -Hours of Play, upon resumption of play following any time lost under Rule 3 (Fitness of the Ground) on the second Saturday
- (ii) To comply with Rule 12.4(i) regarding the number of overs expected to be bowled by the fielding team in a day's play, the overs shall be reduced by 1 over for each 4 minutes of play lost.

For example: If a fielding team is expected to bowl 55 overs in the day's play and 60 minutes is lost due to rain, the number of overs expected to be bowled shall be reduced by 15 overs to 40 overs expected to be bowled in the day's play.

- (iii) Penalty runs as set out Rule 12.4(ii) may be claimed by the batting team when a fielding team fails to bowl the expected reduced number of overs as calculated in 12.7(ii).

12.8 Under 12 to Open age groups – Batting

- (i) Any Under 12 (pathways) to Open batter may retire Not out when the player has faced a minimum of 25 balls.
- (ii) Any Under 12 (pathways) to Open batter must retire not out when the player has faced a maximum number of deliveries applicable to the player's age group.

Under 12 (pathways)	50 balls
Under 13 to Under 15	60 balls
Open	75 balls

Note. A No ball is a ball faced; a Wide is not a ball faced.

Any Not out batter so retired may resume their innings in order of retirement once all other players have been dismissed or retired. There are no restrictions on the number of runs a player may score. This rule applies to both first and second innings. A batter is required to retire only once per innings, however players may themselves decide to further retire after a further 25 balls.

Note. This rule is in vogue to provide MAXIMUM participation for all players, so COMMON SENSE AND SPORTSMANSHIP are to prevail.

Batters should not be retired before 25 balls in favour of returning retirees.

Note Whilst there is no limit to the number of balls a batter may face the emphasis must always be towards maximum participation for ALL players.

12.9 Under 12 to Open age groups – Bowling

- (i) Any Under 12 (pathways) to Open bowler may bowl a maximum number of overs applicable to the player's age group.

Under 12 (pathways)	a maximum of 8 overs per innings
Under 13 to Under 15	a maximum of 10 overs per innings
Open	a maximum of 11 overs per innings

- (ii) The maximum number of overs to be bowled by any bowler in one spell for the player's age group is:-

Under 12 (pathways) & Under 13	a maximum of 4 overs per spell
Under 14 & Under 15	a maximum of 5 overs per spell
Open	a maximum of 6 overs per spell

- (iii) The equivalent of equal the number of overs bowled from both ends during that spell must then elapse before that bowler is permitted to bowl again. For example, if a bowler bowls 4 overs in a spell, at least 8 overs must elapse before the bowler can bowl again.

Note 1: Provided the umpires are informed beforehand, the mere change of ends by a bowler during a spell does not constitute the end of that bowler's spell. However, in this instance, the maximum number of overs specified in Rule 12.9(ii) must not be exceeded in the bowler's spell.

Note 2: The end of a day's play or the end of an innings negates any requirement for the bowler to be further rested at the commencement of the next day's play or the start of the next innings, except for a follow-on situation on the same day.

- (iv) In the interests of player participation, coaches are encouraged to ensure that as many players as possible are given the opportunity to bowl in each game.
- (v) In a two day game a bowler shall not exceed 6 overs in an innings until 42 overs have been bowled

Note. It is the intention of this rule that participation of more players occurs before a bowler proceeds beyond 6 overs, and that all players bowl any minimum required for the players age group, or where no minimum is required that a maximum number of bowlers are used before a player exceeds 6 overs. Where a team numbers less than 11 players the specified '42 overs' will need to be adjusted down by 4 overs for each player less than 11.

12.10 A Team

- (i) In the Under 12 (pathways) to Open age groups the minimum number of players deemed necessary to constitute a team in each innings of a match shall be 7 players and an official, all present on the day.
- (ii) Team sizes shall be as per Rule 1.5.
- (iii) In a two day game each team manager shall, before leaving the venue on the first day, present to the opposing manager, a list of the team's eligible registered players whose names are to be recorded in the scorebook.
- (iv) Number of Substitutes.
If both coaches can agree on a number then a number of substitutes shall be selected, otherwise that number shall be 2 (two).

Note. Irrespective of the number used as substitutes the total players listed by either team must not exceed 13.

- (v) On the completion of the two first innings, or immediately prior to the start of the second days play, a maximum number as per 12.10(ii) of the original players in a team may be replaced by players from the named eligible registered players who may participate fully in the remainder of the game. Any such replacement player must continue the "not out" innings (*the replaced player to be shown as 'Not out – Substituted'*) or complete the over of the player being replaced, in either case the replacement's activities should be recorded separately.

Note. Any such replacement player must have been listed as per 12.10(iii) and the list must not exceed 13 players in total.

12.11 Intervals

- (i) An interval not exceeding 10 minutes will be allowed between innings. Players shall be on the field ready to start at the conclusion of the 10 minute period

- (ii) In addition, and at the discretion of coaches and managers, up to 3 drink breaks, not exceeding 3 minutes each, may be taken during a day's play

12.12 Follow-on

A lead of at least 75 runs is required to enforce a follow-on.

12.13 Points Score for Two Day Games (Boys Under 13 to Open age groups only)

- (i) Maximum number of points, excluding bonus points, any team can obtain in a match is 10.

(ii) Outright win/first innings lead	10
Outright win/first innings loss	6
Outright loss/first innings win	4
First Innings Win	6
Tie over 4 innings	5
Tie over 2 innings	3
Draw/Washed out	3
Outright loss / First innings loss	0
Loss by Forfeit	0

- (iii) Bonus points are awarded as follows:

0.01 points per run scored

0.2 points per wicket taken

(Note. 'All Out' based on less than 10 wickets taken counts as for 10 wickets, i.e. $.2 \times 10 = 2$ points

however, Retired (unless Retired Out) is not considered as Out.)

- (iv) Any team on receiving a forfeit in a match shall be awarded 9 points.
- (v) Any team having a bye (if applicable) shall receive 9 points.
- (vi) In the event that a two day game is played as a one day game [see Rule 12.1(iii)], the one day points score system applies (Rule 13.10).
- (vii) If play commences on the first day, the match is taken to constitute a 2 day game.
- (viii) Subject to Rule 12.13(ix), a first innings win is achieved for a two day game when either:-
- the team batting second and not dismissed 'all out' passes the total of the team batting first within the allotted overs (55 overs if no time lost), in which case it is a win for the team batting second; or
 - the team batting second is dismissed 'all out' within the allotted overs (55 overs if no time lost) for a lower total than the team batting first, in which case it is a win for the team batting first.

Example of (a). Team A bats first for 55 overs on day 1 and scores 7/280 or batted first on day 1 and was dismissed 'all out' for 10/280 in 52 overs. Team B batting second on day 2 and in both scenarios have 55 allotted overs available to pass Team A's total and did so in the 49th over reaching 7/282. This is a win for Team B by three wickets because Team B passed the total of Team A within their allotted 55 overs.

Example of (b). Team A bats first for 55 overs on day 1 and scores 5/240 or batted first on day 1 and were dismissed 'all out' for 10/240 in 52 overs. Team B batting second on day 2 and in both scenarios have 55 allotted overs available to pass Team A's total and in the 45th over were dismissed 'all out' for 10/220. This is a win for Team A by 20 runs because Team B were dismissed 'all out' within the allotted 55 overs for a lower total than Team A.

- (ix) When the team batting second does not receive its full allocation of 55 overs in its first innings, due to time lost on the second Saturday (refer to Rule 12.7) and fails to pass the score of the team batting first in the reduced number of overs expected to be bowled, and has not been dismissed "all out", the result is declared a Draw and 3 points given to each team.

For example: Team A bats on the first Saturday and is all out for 174 in 52.4 overs. Team B bats on the second Saturday and because of time lost due to rain only receives 30 overs when entitled to receive 55 overs and scores 5/159. The game is declared a Draw because Team B failed to pass Team A's score of 174 in the reduced number of overs expected to be bowled (30 overs) and Team B should have had the opportunity to pass Team A's total in 55 overs, but for the time lost.

13. RULES FOR ONE DAY GAMES (Under 12 * and above) - BOYS' TEAMS ONLY)

* NB: These Rules for one day games pertaining to the Under 12 age groups (boys' teams) only apply to the Under 12 pathways format. They do not apply to the Under 12 junior stage 2 format – Refer to Section 15 for the Under 12 junior stage 2 format rules

13.1 Days of Play

All matches will be played on a single fixture day. Alterations of playing days must be approved by the Draw Committee Chairman.

13.2 A Team

In the Under 12 (pathways) to Open age groups the minimum number of players deemed necessary to constitute a team for each game shall be 7 players and an official, all present on the day.

13.3 Number of Innings

All matches are of one innings only.

13.4 Bowling

- (i) The maximum number of overs per bowler shall be 5.
- (ii) The maximum number of overs bowled by any bowler in one spell is 3 overs.
- (iii) The equivalent of equal the number of overs bowled from both ends during that spell must then elapse before that bowler is permitted to bowl again.

For example: If a bowler bowls a 3 over spell, at least 6 overs must elapse before the bowler can bowl again.

Note 1: Provided the umpires are informed beforehand, the mere change of ends by a bowler during a spell does not constitute the end of that bowler's spell. However, in this instance, the maximum number of overs specified in Rule 13.4(ii) must not be exceeded in the bowler's spell.

- (iv) A bowler shall not exceed 3 overs in an innings until 21 overs have been bowled.

Note 2. It is the intention of this rule that participation of more players occurs before a bowler proceeds beyond 3 overs, and that all players bowl any minimum required for the players age group, or where no minimum is required that a maximum number of bowlers are used before a player exceeds 3 overs. Where a team numbers less than 11 players the specified '21 overs' will need to be adjusted down by 2 overs for each player less than 11.

13.5 Batting

- (i) Any Under 12 (pathways) to Open batter may retire Not out when the player has faced a minimum of 25 balls.

- (ii) Any Under 12 (pathways) to Open batter must retire when the player has faced a maximum 50 deliveries.

Note. a No ball is a ball faced; a Wide is not a ball faced.

Any Not out batter so retired may resume their innings in order of retirement once all other players have been dismissed or retired. There are no restrictions on the number of runs a player may score. A batter is required to retire only once per innings, however players may themselves decide to further retire after a further 25 balls.

Note. This rule is in vogue to provide MAXIMUM participation for all players, so COMMON SENSE AND SPORTSMANSHIP are to prevail, Batters should not be retired before 25 balls in favour of returning retirees.

13.6 Hours of Play

- (i) Hours of play shall be as per Rule 1.4.
- (ii) After allowing a maximum of 10 minutes for a break between innings (refer Rule 12.11(i) re intervals), each team has a maximum batting time of 1 hour 40 minutes.
- (iii) Subject to Rule 13.8, the innings of the team batting first must not proceed past 10.00 am (3:00pm for afternoon games), the scheduled cut-off time, or 26 overs, whichever comes first.
- (iv) If the team fielding first fails to bowl 26 overs by the scheduled cut-off time, and the team batting first is not bowled out, the innings of each team shall be shortened to that number actually bowled and the same number of overs will be bowled to the team batting second.
- (v) Unless bowled out, the team batting second must receive its full entitlement of overs, even if a result is achieved earlier (for the purpose of allocating bonus points).

For Under 13 to Open age groups failure to bowl the required number of overs will, subject to Rule 3 (Fitness of the Ground) and where a result has not been achieved, result in the batting team being awarded penalty runs (added to sundries), the penalty being one run for each ball not bowled.

- (vi) A drink interval not exceeding three minutes is to be taken after 15 overs, or at the discretion of officials of both teams as agreed.

13.7 Result of Matches

Scores must be recorded at the completion of the 15th over and each succeeding over thereafter.

13.8 Matches – Delayed Start

To ensure that play ceases by noon on the scheduled day, it may be necessary, in cases where matches do not start on time, to deduct 2 overs for every 6 minutes delay (or part thereof) from the 52 overs to be bowled. This number is halved to give the number of overs to be bowled by each team. Team managers are to agree on the total overs for each team and the rescheduled cut-off time for the team batting first, before play commences on the particular day.

13.9 Matches – Delays during Play

- (i) Where time is lost under Rule 3 (Fitness of Ground), at least 15 overs must be bowled by each team so that a result may be obtained.

- (ii) A result will be calculated on the state of each batting team as at the maximum number of overs faced, provided that maximum is equal for both teams.
For example - Team A bats for 26 overs. Team B only manages 22 overs because of time lost. The team totals as at over number 22 are compared and a result obtained.

13.10 Points Score for Boys One Day Games (Under 13 to Open age groups only)

| | Tied Game (equal scores) | 3 points |

| | Match Loss / Loss by Forfeit | 0 points |
- (ii) Bonus Points are awarded as follows;
- 0.01 points per run scored

(Note. 'All Out' counts as for 10 wickets, i.e. .2 x 10 = 2 points however, Retired (unless Retired Out) is not considered as Out.)
- (iii) Any team on receiving a forfeit in a match shall be awarded 9 points.
- (iv) Points to a team for a bye (if applicable) - 9 points will be awarded.

14. RULES FOR BOYS' UNDER 12 AGE GROUP – PATHWAYS FORMAT

Note: This Section 14 relates to the under 12 pathways format. Games under this format are played as two day games over 4 quarters of 25 overs each but also include some one day games of 26 over each.

A second under Boys' 12 format is available called Junior stage 2 format. Games under this format are played as single day one innings games only with teams batting a maximum of 30 overs each. The rules for this alternative under 12 boys format are listed in the next section 15.

These special rules recognise that the Boys' Under 12 age groups are developmental, based on non-competitive matches designed to foster maximum participation by all players.

Coaches should regard themselves as the third team in the match, a special team of two people who are not there to oppose each other but, rather, to help each other and the players from both sides to not only learn cricket skills, but also the proper spirit of the game. In this regard the Coaches should not only be the living example of the ASC Codes of Behaviour, but should also take responsibility for all players and their parents observing such Codes.

14.1 Length of pitch

- (i) The length of the pitch shall be 18 metres. Normal batting creases will apply.
- (ii) A set or sets of free-standing stumps may be used to achieve the lesser distance.
- (iii) The idea of a reduced pitch length has been devised in accordance with the advisory policy of Cricket Australia.
- (iv) To achieve the 18 metre rule, the batters will bat from one end only. Batters rotate at the end of each over. The batters run from popping crease to popping crease of the 18 metre pitch.

14.2 Bowling

- (i) Each player shall bowl a minimum of 3 overs in a two day match and a minimum of 2 overs in a one day match.
- (ii) In either a one or two day match a bowler shall bowl, in an over, a maximum of 8 deliveries or 6 fair balls whichever comes first.
- (iii) Bowlers will bowl from one end only for the first 12 overs of a 25 over quarter (refer to rule 14.4) then change ends for the remaining overs in the quarter.

14.3 Batting

If a player is nominated to bat in one of the last three batting positions in an innings, that player must bat in one of the first nine batting positions in the next innings. If a player is nominated in the first nine positions as a result of this rule but still does not actually have a bat, that player shall again be nominated in the first nine positions until they do have a bat

14.4 Four Quarters Cricket

Preamble. The two day games for Under 12 pathways will be played as 4 quarters cricket. The matches will constitute 100 overs over two days divided into 4 quarters of 25 overs each, with 2 quarters each day. **Unless bowled out, the duration of the first innings of each team is to be 50 overs.**

The matches subject to the general rules 14.4 (i) to (vi) set out later in this section are to be played in accordance with the procedure set out below to ensure that during the course of a game, each team fields during both parts of the morning.

First Saturday: One team (Team 1) will bat in the first quarter and if not dismissed 'all out' after 25 overs will have its innings suspended, to be continued on the second Saturday. Following a 10 minute break for a change of innings, the other team (Team 2) will bat in the second quarter and after 25 overs will have its innings suspended, to be continued on the second Saturday.

Second Saturday: At commencement, Team 2 will continue its innings for a further 25 overs in the third quarter, continuing with the batters who were not out, retaining their respective batting positions (striking or non-striking) when the innings was suspended the previous Saturday. Following a 10 minute break for change of innings, Team 1 will continue its innings for a further 25 overs in the fourth quarter, continuing with the batters who were not out retaining their respective batting positions (striking or non-striking) when the innings was suspended the previous Saturday

- (i) Subject to Rule 14.4 (iii) both teams are to receive their full allocation of 50 overs batting over the two days, each receiving 25 overs in each of 2 quarters, unless dismissed 'all out' before 25 overs have been bowled.

Should a team be dismissed all out before receiving 50 overs further innings shall be played by that team until it has received 50 overs.

For those situations when a team plays a third innings to ensure it receives 50 overs, this third innings is to be regarded for statistical purposes as practice only and no statistics shall be recorded by either team for that third innings. Teams are to record into the **PlayHQ** database under Rule 11.2 only the statistics that have been achieved over the first and second innings of a game

- (ii) A team batting in a quarter will bat right throughout that quarter unless dismissed 'all out' before the end of the quarter. If a team is dismissed 'all out' before the required number of overs have been bowled in the quarter, the opposition team shall commence its innings immediately, allowing for a break of up to 10 minutes for a change of innings. The opposition team will bat in the quarter until the other team has bowled the required remaining overs in the quarter and unless dismissed 'all out' beforehand shall continue batting for 25 overs in the next quarter.

- (iii) The allocation of 50 overs batting for each team will need to be reduced in the event of time lost under Rule 3 (Fitness of the Ground).
 - (iv) For time lost on the first day the total number of overs to be bowled to each team over the two days will be the number of overs completed on the first day, plus 50, divided by 2 and rounded up. For each 4 minutes of play lost, a game is reduced by 1 over.
 - (v) For time lost on the second day the total number of overs to be bowled to each team will be the number of overs already completed plus the number of overs still to be bowled all divided by 2 and rounded up. For each 4 minutes of play lost, a game is reduced by 1 over
- Note: *Where a team has already batted in excess of this number that number batted shall stand, and the remaining overs be bowled to the other team.*
- (vi) If part of an over has been bowled when an innings is suspended or terminated, that part over will not count as an over bowled.

Example of a match based on (i) and (ii) above.

For this example Team 1 is called 'Gold' and Team 2 'Green'.

First Saturday.

Gold bats first in the 1st quarter and is all out in its 1st innings in 20.3 overs, finishing at 10-62. Green, after a break of not more than 10 minutes for the change of innings commences its 1st innings and bats for 5 overs to complete the 25 overs in the 1st quarter and scores 0/20. Green continues its first innings in the 2nd quarter and bats for the full allocation of 25 overs to be 3/120 after 30 overs. This ends the play for the first Saturday.

At the end of the first Saturday the match situation is Gold 10/62 (20 overs) versus Green 3/120 (30 overs). Green has already won on the 1st innings, but the match continues on the second Saturday regardless.

Second Saturday.

Green resumes its 1st innings which was suspended from the first Saturday with the same batters and the correct batter facing the 1st ball bowled. Green bats right through its 20 overs allocation in the 3rd quarter and its 1st innings is terminated at 7/278 after 50 overs total batting in the innings (30 the previous Saturday and 20 this Saturday).

Gold commences its 2nd innings after an innings break of no more than 10 minutes. Gold bats out the remaining 5 overs in the third quarter since Green were only able to utilise 20 overs of the 25 overs available in that quarter and Gold's score at the end of the 3rd quarter was 2/25 after 5 overs. Gold continues its 2nd innings in the 4th quarter and bats for the full allocation of 25 overs to be 5/106 after 30 overs (5 overs in the 3rd quarter and 25 overs in the 4th quarter). At this point all quarters of the match have been completed and the match has concluded.

The match result in this example is Green 7/278 (50 overs) defeated Gold 10/62 (20 overs) and 5/106 (30 overs) by 216 runs on the first innings.

15. RULES FOR BOYS' UNDER 12 AGE GROUP – JUNIOR STAGE 2 FORMAT

Note: *This Section 15 relates to the Boys' under 12 Junior stage 2 format. Games under this format are played as single day one innings games only with teams batting a maximum of 30 overs each.*

A second Boys' under 12 format is available called pathways format. Games under this format are played as two day games over 4 quarters of 25 overs each but also including some one day games of 26 over each. The rules for this alternative under 12 boys format are listed in the previous section 14.

These special rules recognise that the Boys' Under 12 age groups are developmental, based on non-competitive matches designed to foster maximum participation by all players.

Coaches should regard themselves as the third team in the match, a special team of two people who are not there to oppose each other but, rather, to help each other and the players from both sides to not only learn cricket skills, but also the proper spirit of the game. In this regard the Coaches should not only be the living example of the ASC Codes of Behaviour, but should also take responsibility for all players and their parents observing such Codes.

15.1 Competition

- (i) Matches will be non-competitive and played as single day games of one innings each with both teams allotted a maximum of 30 overs each.
- (ii) The overs allocation for each team is listed as a "maximum" because there is provision for a team to be dismissed "all out" before the maximum allotted overs have been completed.

15.2 Hours of Play

- (i) Each game shall be played at the following times to the following schedule;-
 - **Game where both teams bat for the duration of their allotted 30 overs and are not dismissed "all out".**

Starts 7:15am – Finishes 10:45am	Duration	Start at:	Finish by:
<i>Team 1 batting vs Team 2 bowling</i>			
Bowl 30 overs	100 mins	7:15 am	8.55 am
Break between innings	10 mins	8:55 am	9:05 am
<i>Team 2 batting vs Team 1 bowling</i>			
Bowl 30 overs	100 mins	9:05 am	10:45 am

- **Game where either team is dismissed "all out" before the maximum 30 overs have been allotted.**
 - The schedule above will need to be modified by altering the time in the "Finish by" column to the time when the team was dismissed "all out". If Team 1 is dismissed "all out" before the allotted 30 overs, the new time in the "Start at:" column for Team 2 shall be 10 minutes after Team 1 was dismissed "all out", allowing for the 10 minutes break between innings.
 - If Team 1 is dismissed "all out" before the allotted 30 overs, Team 2 shall receive its full entitlement of 30 overs, even if a result is achieved earlier, unless also dismissed "all out".
- (ii) A drinks break of a maximum of 3 minutes must be taken at the completion of the 15th over. A change of wicketkeeper should be made at this break. In oppressive weather conditions, breaks may be taken more frequently if considered appropriate by coaches/managers.
 - (iii) The team batting first in a game shall not bat past the times listed in the "Finish by:" columns of the above schedule or 30 overs whichever comes first. Should the team batting first not receive their allocation of overs by the "Finish by:" time, their innings shall finish at that "Finish by:" time and the side batting second will receive at least the same number of overs as the side batting first, on the proviso that the games must finish no later than the "Finish by:" time for the team batting second.
 - (iv) For time lost under Rule 3 (Fitness of the Ground) a game will be reduced by 2 overs for every 6 minutes lost.

15.3 Team Sizes

- (i) A team consists of 9 players. A team is dismissed "all out" when 8 players have been dismissed. A team cannot be greater than the standard 9 players.
- (ii) The minimum number of players deemed necessary to constitute a team shall be 7 players and an official, all present on the day.
- (iii) Nine fielders only are allowed on the field at any one time.
- (iv) For teams with an excess of 9 players, a roster system is encouraged to rotate the players so that all players participate on an equal basis throughout a season.

15.4 Length of Pitch

- (i) The length of the pitch shall be 18 metres. Normal batting creases will apply.
- (ii) A set or sets of free-standing stumps may be used to achieve the lesser distance.
- (iii) The idea of a reduced pitch length has been devised in accordance with the advisory policy of Cricket Australia.
- (iv) To achieve the 18 metre rule, the batters will bat from one end only. Batters rotate at the end of each over. The batters run from popping crease to popping crease of the 18 metre pitch.

15.5 No balls

- (i) The front foot rule shall apply with respect to no balls.
- (ii) The umpire at the bowler's end shall call and signal No ball if a ball which the umpire considers to have been delivered:
 - 1) bounces more than twice, or
 - 2) rolls along the ground,
 before it reaches the striker.
- (iii) The umpire at the bowler's end shall call and signal Dead ball if a ball which the umpire considers to have been delivered comes to rest before it reaches the striker or, if not otherwise played by the striker, before it reaches the popping crease. Once the umpire has called Dead ball, the striker may not attempt to hit the ball and the delivery is to be re-bowled.

15.6 Leg Before Wicket (LBW)

LBW decisions shall apply.

15.7 Bowling and Over Limitations

The following bowling and over limitations shall apply.

- (i) Bowlers will bowl from the one end for the first 15 overs of the innings then change ends for the remaining overs.
- (ii) A bowler shall bowl, in an over, a maximum of 8 deliveries or 6 fair balls whichever comes first.
- (iii) All players in the team listed in the scorebook to play, including the two players selected to be wicketkeepers, are to bowl, with the 30 overs on offer divided as follows:-

Team of 9 players - 5 players who are not wicketkeepers bowl 4 overs; 2 more players who are not wicketkeepers bowl 3 overs and the 2 players who are wicketkeepers bowl 2 overs.

Team of 8 players - 6 players who are not wicketkeepers bowl 4 overs, and the 2 players who are wicketkeepers bowl 3 overs.

Team of 7 players - 4 players who are not wicketkeepers bowl 5 overs; 1 more player who is not a wicketkeeper bowls 4 overs and the 2 players who are wicketkeepers bowl 3 overs.

Note: The above schedule assumes the batting team will receive its maximum allocation of 30 overs by not being dismissed "all out" in less than 30 overs. If a team does not bowl its full allocation of 30 overs, the Coach for the next match should endeavour to offer more overs to those players missing out on bowling their full over allocation.

- (iv) Coaches are encouraged throughout the season to rotate the opportunity for players to bowl 4 overs in a match.
- (v) All players are to bowl one over each in sequence until the allotted number of overs has been bowled.

15.8 Fielding

- (i) 9 players only are allowed on the field. If more than 9 players are present at a match, they should rotate onto the field each over.
- (ii) Except in an area 90 degrees on the offside from Point to Wicket-keeper (the Slips), no player is to field closer than 10 metres from the striker (in the striker's normal batting stance) until after the ball is –
 - hit by the striker, or
 - strikes the body or equipment of the striker, or
 - passes the line of the stumps, or
 - becomes dead.

Note. Where the striker's stance is forward of the crease the fielder should retreat by the same distance to maintain the 10 metre separation. Where a striker charges a bowler, the fielder is not required to thus retreat, but the safety of the fielder shall be paramount.

- (iii) Rotation of fielders is recommended to ensure all players experience all positions.

15.9 Batting

- (i) The batting team is dismissed "all out" when 8 players have been dismissed.
- (ii) The maximum number of overs in an innings is 30 overs.
- (iii) A batter once dismissed shall leave the field of play and cannot return to bat again in the innings.
- (iv) A batter may retire Not out when the player has faced a minimum of 25 balls, provided they are not dismissed.
- (v) A batter must retire when the player has faced a maximum 35 deliveries, provided they are not dismissed.

Note. a No ball and a Wide are included in a batter's ball count.

Any Not out batter so retired may resume their innings in order of retirement once all other players have been dismissed or retired. There are no restrictions on the number of runs a player may score. A batter is required to retire only once per innings, however players may themselves decide to further retire after a further 25 balls.

Note. This rule is in vogue to provide MAXIMUM participation for all players, so COMMON SENSE AND SPORTSMANSHIP are to prevail.

Batters should not be retired before 25 balls in favour of returning retirees.

- (vi) Sundries are NOT to be added to the score of the striker.

 - 1) bounces more than twice, before it reaches the striker, or
 - 2) rolls along the ground before it reaches the striker,
- (iii) The umpire at the bowler's end shall call and signal Dead ball if a ball which the umpire considers to have been delivered comes to rest before it reaches the striker or, if not otherwise played by the striker, before it reaches the popping crease. Once the umpire has called Dead ball, the striker may not attempt to hit the ball and the delivery is to be re-bowled.

17.6 Leg Before Wicket (LBW) to apply after one warning

- (i) On the first occasion when a particular player, as the striker, would, in the opinion of the umpire at the bowler's end, have been adjudged LBW, then that player shall be given not out on that first occasion with a warning from that umpire that the next such occasion this occurs, will result in her being dismissed.

17.7 Bowling and Over Limitations

The following bowling and over limitations shall apply -

- (i) If playing on a non turf pitch, bowlers will bowl from the one end for the first 15 overs of the innings then change ends for the remaining overs.
- (ii) If playing on a turf pitch, bowlers will bowl from both ends throughout the match in accordance with the *Laws of Cricket*.
- (iii) A bowler shall bowl, in an over, a maximum of 8 deliveries or 6 fair balls whichever comes first.
- (iv) All players in the team listed in the scorebook to play, including the two players selected to be wicketkeepers, are to bowl, with the 26 overs on offer divided as follows:-

Team of 9 players - 1 player who is not a wicketkeeper bowls 4 overs; 6 more players who are not wicketkeepers bowl 3 overs and the 2 players who are wicketkeepers bowl 2 overs.

Team of 8 players - 4 players who are not wicketkeepers bowl 4 overs, 2 more players who are not wicketkeepers bowl 3 overs and the 2 players who are wicketkeepers bowl 2 overs.

Team of 7 players - 5 players who are not wicketkeepers bowl 4 overs and the 2 players who are wicketkeepers bowl 3 overs.

Note: The above schedule assumes the batting team will receive its maximum allocation of 26 overs by not being dismissed "all out" in less than 26 overs. If a team does not bowl its full allocation of 26 overs, the Coach for the next match should endeavour to offer more overs to those players missing out on bowling their full over allocation.

- (v) Coaches are encouraged throughout the season to rotate the opportunity for players to bowl 4 overs in a match.

- (vi) A bowler shall not exceed 3 overs in an innings until 21 overs have been bowled.

Note. It is the intention of this rule that participation of more players occurs before a bowler proceeds beyond 3 overs, and that all players bowl any minimum required for the players age group, or where no minimum is required that a maximum number of bowlers are used before a player exceeds 3 overs. Where a team numbers less than 9 players the specified '21 overs' will need to be adjusted down by 2 overs for each player less than 9.

- (vii) The maximum number of overs to be bowled by any bowler in one spell shall be 3 overs.
- (viii) The equivalent of equal the number of overs bowled from both ends during that spell must then elapse before that bowler is permitted to bowl again.

For example: If a bowler bowls 2 overs in a spell, at least 4 overs must elapse before the bowler can bowl again.

17.8 Fielding

- (i) 9 players only are allowed on the field.
- (ii) Except in an area 90 degrees on the offside from Point to Wicket-keeper (the Slips), no player is to field closer than 10 metres from the striker (in the striker's normal batting stance) until after the ball is –
- hit by the striker, or
 - strikes the body or equipment of the striker, or
 - passes the line of the stumps, or
 - becomes dead.

Note. Where the striker's stance is forward of the crease the fielder should retreat by the same distance to maintain the 10 metre separation. Where a striker charges a bowler, the fielder is not required to thus retreat, but the safety of the fielder shall be paramount.

- (iii) Rotation of fielders is recommended to ensure all players experience all positions.
- (iv) Each team is required to use 2 players as wicketkeepers. The first wicketkeeper is to be replaced at the 13 over mark of a match.

17.9 Batting

- (i) The batting team is dismissed "all out" when 8 players have been dismissed. A team cannot be greater than the standard 9 players.
- (ii) The maximum number of overs in an innings is 26 overs.
- (iii) A batter once dismissed shall leave the field of play and cannot return to bat again in the innings.
- (iv) A batter may retire Not out when the player has faced a minimum of 15 balls, provided they are not dismissed.
- (v) A batter must retire when the player has faced a maximum 35 deliveries, provided they are not dismissed.

Note. a No ball and a Wide are included in a batter's ball count.

Any Not out batter so retired may resume their innings in order of retirement once all other players have been dismissed or retired. There are no restrictions on the number of runs a player may score. A batter is required to retire only once per innings, however players may themselves decide to further retire after a further 15 balls.

Note. This rule is in vogue to provide MAXIMUM participation for all players, so COMMON SENSE AND SPORTSMANSHIP are to prevail. Batters should not be retired before 25 balls in favour of returning retirees.

- (vi) Sundries are NOT to be added to the score of the striker.

17.10 Points Score for competitive Girls Cricket games

- (i)
- | | |
|------------------------------|----------|
| Match win | 6 points |
| Tied Game (equal scores) | 3 points |
| Washed Out Games | 3 points |
| Match Loss / Loss by Forfeit | 0 points |
- (ii) Bonus Points are awarded as follows;
- 0.01 points per run scored
0.2 points per wicket taken
(Note. 'All Out' based on less than 8 wickets taken counts as for 8 wickets, i.e. $.2 \times 8 = 1.6$ points
however, Retired (unless Retired Out) is not considered as Out.
- (iii) Any team on receiving a forfeit in a match shall be awarded 9 points.
- (iv) Points to a team for a bye (if applicable) - 9 points will be awarded.
- (v) Outright decisions are not applicable in Girls Cricket single day games.

- (a) the team batting second and not dismissed 'all out' passes the total of the team batting first within the maximum allotted overs (26 overs if no time lost), in which case it is a win for the team batting second; or
- (b) the team batting second is dismissed 'all out' within the maximum allotted overs (26 overs if no time lost) for a lower total than the team batting first, in which case it is a win for the team batting first.
- (vii) When the team batting second does not receive its full allocation of 26 overs in its innings, due to time lost under Rule 3 (Fitness of the Ground) and has not been dismissed 'all out' yet fails to pass the score of the team batting first, the result is declared a Draw and 3 points given to each team.

For example: Team 1 bats first and receives its full allocation of 26 overs and its final score is 4/150. While Team 2 is batting there is time lost due to rain such that at the scheduled "Finish by:" time Team 2 could only receive 22 overs out of its allocation of 26 overs and scores 3/120 The game is declared a Draw because Team 2 in failing to pass Team 1's total of 150 were not given their full entitlement of 26 overs in which to do so.

- **Game where either team is dismissed "all out" before the maximum 26 overs have been allotted.**

- (a) The schedule above will need to be modified by altering the time in the "Finish by" column to the time when the team was dismissed "all out". - (b) If Team 1 is dismissed "all out" before the allotted 26 overs, Team 2 shall receive its full entitlement of 26 overs, even if a result is achieved earlier, unless also dismissed "all out" (This is for the purpose of allocating bonus points). Where a team numbers less than 11 players the specified '21 overs' will need to be adjusted down by 2 overs for each player less than 11.

| | Match Loss / Loss by Forfeit | 0 points |
- (ii) Bonus Points are awarded as follows;
0.01 points per run scored
0.2 points per wicket taken
*(Note. 'All Out' based on less than 10 wickets taken counts as for 10 wickets, i.e. .2 x 10 = 2 points
however, Retired (unless Retired Out) is not considered as Out.*
- (iii) Any team on receiving a forfeit in a match shall be awarded 9 points.
- (iv) Points to a team for a bye (if applicable) - 9 points will be awarded.

For example: *Team 1 bats first and receives its full allocation of 26 overs and its final score is 4/150. While Team 2 is batting there is time lost due to rain such that at the scheduled "Finish by:" time Team 2 could only receive 22 overs out of its allocation of 26 overs and scores 3/120. The game is declared a Draw because Team 2 in failing to pass Team 1's total of 150 were not given their full entitlement of 26 overs in which to do so.*

20.1 Change of time

- (i) If any game in the non-competitive Under 10/11 (Boys/Girls teams) and Under 12 Stage 2 (Boys teams) is unable to commence on schedule due to inclement weather or to the ground being unfit for play, the respective Coach/Manager of each team involved in the game can agree to play the match that afternoon at an agreed alternative venue or at the original venue if it is available in the afternoon.

It is recognised that some players and their parents have other commitments which may render those players unavailable to play cricket on a Saturday afternoon and, consequently, it is stressed that the decision to transfer a game to an alternative afternoon venue must be agreed to by both teams and, in the absence of agreement, the game shall be played at the scheduled venue in accordance with the Rules or it shall be abandoned.

The BNJCA Secretary will maintain a list of grounds that are available for play on Saturday afternoons ('alternative afternoon venues') and if a decision is taken to relocate the game to an alternative afternoon venue, the Secretary must be advised immediately, so that a note can be made in the records that the venue is intended for use by the particular teams involved.

- (ii) If more than two teams seek to use the same alternative afternoon venue, preference will be given to the teams recorded by the Secretary as having first been approved to use the particular venue.
- (iii) The Secretary will maintain an up-to-date list of available alternative venues based on the information provided by clubs, but it is acknowledged that other competitions and/or sports and/or schools may have access to some venues and may be using a venue which the Secretary believes to be otherwise available.
